Dear Anne:

On the occasion of your retirement after 22 years of service with the Agency, I join your many friends in FBIS in wishing you well. I would also like to express my appreciation for your contributions over the years.

The time you spent as secretary to several Production Group chiefs and as JPRS editorial assistant was marked by consistent dedication and competence. You can be proud of your fine record. Your cheerful disposition will be missed by all who worked with you in all components of FBIS.

Looking to the future, I wish you and your husband the best of happiness in your retirement.

Sincerely,

STAT
